"KENTUCKY" THRILLS LARGE AUDIENCE

Mrs. Lilly Waller Chatten
Reads Poem at First
Baptist Church

Mrs. Lilly Waller Chatten, reader and entertainer, author of "Penny-royal Poems," is in Henderson for a few days, and read some of her poems before the union missionary meeting at the First Baptist church Monday afternoon, which was a delightful literary and artistic treat. Her first number was a little prayer taken from the first poem she ever wrote. But the one that touched and thrilled the audience was her poem, "Kentucky." She is beginning a tour of her native State reading her own poems to Kentucky audiences and Henderson is fortunate in having an opportunity to hear her. She will read Wednesday afternoon at the Woman's Club open meeting and tea, to which the public is cordially invited.

The people of Earlington remember Mrs. Chatten with pleasure, she was a resident of this city for several years and made a large number of friends while here who will be glad to know she has attained such literary success.

Kentucky

I'm longing for Kentucky
Now that the Spring is here,
Where the blue-bird and the robin
Sing again their merry cheer.

Where perched on hedge and dogwood.

In coat of framing ray,
"King Cardinal" sets on topmost
bough
And trills his rapturous lay.

Where tiny leaves have broadened
Into palms that stretch and give
New life and joy and happiness.
And make us glad to live.

Oh dear, dear old Kentucky,
With turf of emerald green.
With your clover-fields and daisies,
And quiet rills between.

No sky so blue in Heaven,
No stars so sparkling bright,
No moon e'er told such secrets
To lovers night by night.

I'm longing for Kentucky,
Now that the Spring is here—
For Kentucky, old Kentucky,
The place on earth most dear.

Chicago, April 22, 1814.

A Restful Lake Ride

Travel to be enjoyable must be restful, and at this season of the year whether your trip takes you East or West break its monotony either at Cleveland or Buffalo, by a refreshing night's trip across Lake Erie on a veritable floating hotel. C. & B. Line Steamers leave either city every evening and arrive early the next morning.

The fame of the Great Ship "SEEANDBEE" is attracting to the route a vast number of travelers to enjoy the delightful lake ride and at the same time inspect her magnificent interior decoration wonderful illuminating system and other interesting features. The "SEEANDBEE" is the largest and most costly passenger steamer on inland waters of the world; length 500 feet, breadth 98 feet 6 inches, 510 staterooms and parlors accommodating 1500 passengers, equalling in sleeping capacity the largest hotels of the country.

The fares for this lake trip are less than by rail, and also railroad tickets reading between Cleveland and Buffalo are accepted for transportation on all C. & B. Line Steamers.

REDMEN HOLD MEMORIAL SERVICES

At Earlington Cemetery Sunday Afternoon—Mr. Henry C. Yunker, of Louisville, Made Splendid Talk.

The Redmen Lodge held memorial services at the Earlington Cemetery Sunday afternoon, a large crowd was present and the services were most impressive. The address for the occasion was made by Henry C. Yunker, of Louisville, who is the Great Sachem of the Lodge, his speech was a master effort and the large crowd gave him their undivided and respectful attention. The ceremony of laying flowers on the graves of departed brothers was observed with due solemnity. One feature of the occasion was the delightful singing by a quartette of Earlington boys. The Redmen are one of the strongest lodges in this vicinity and are constantly growing in membership.

HOPKINS COUNTY REPUBLICANS

At a mass meeting of the Republicans of Hopkins county, held in the court house in Madisonville last Saturday, W. B. Corum was unanimously elected chairman and Thos. E. Finley was elected secretary. On motion said organization was made permanent.

The chair then appointed a committee on resolutions consisting of one from each magisterial district, viz.: Obas. Ashby, G. F. Orumhaker, R. J. Salmon, J. W. Robinson, Wm. Crick, J. W. Bell, D. Utley and J. W. Martin.

The committee retired and after due deliberation brought in the following report:

L. & N. STRINGING

Four Copper Wires Between Nashville and Evansville

The L. & N. have had a force of about fifty men at work since Nov. 1st putting up poles and stringing telephone wires between Nashville and Evansville and on the Morganfield and Elkhorn branches. Few people have any idea of the enormous quantity of wire it takes to string four wires for a distance of 257 miles. It will require 5,829,152 feet of wire and 8,995 poles to complete the work and will take several months work. One of the lines will likely be used for dispatching trains, two for commercial message and one for R. R. messages. Mr. John D. Hutton of Nashville Tenn is in charge of the Telephone supply house with his headquarters at this place. The work will be pushed as rapidly as possible.

POTULAR YOUNG MADISONVILLE LADY PASSES AWAY

Miss Carrie Elizabeth Miller, one of the most popular young ladies of Madisonville, died in St. Mary's Hospital in Evansville last Friday afternoon at 5:40, following an operation for appendicitis, uraemic poison being the direct cause of her death.

Miss Miller was recently stricken with appendicitis. She was taken to Evansville last Wednesday and the operation was performed that afternoon with every indication pointing to her rapid recovery. Her condition began changing for the worse Friday morning, and by noon word was received here that no hope was entertained for her recovery. Members of the family were at her bedside when the end came.

PEACE ADVOCATES INDORSE WILSON

American League to Limit
Armaments Pleased
With Notes

New York, June 13.—The American League to Limit Armaments today sent to President Wilson, a composite letter from fifty-eight college presidents, testifying to their loyalty to him in the position he has taken with Germany, and expressing their confidence that he will be able to bring about an adjustment by peaceful means. Included in the letter is a summary of the message from the educators, entitled "Peace Program for Trying Times," which suggests the immediate entertainment at Washington of a league of neutral nations, "which could more forcefully assert one and all other neutral rights than many army corps and battleships."

L. Hollingsworth Wood, secretary of the league in an accompanying statement said that the league includes in its membership 146 college presidents, of whom fifty-eight have written their endorsement of the President's stand.

The July Woman's Home Companion

In the July Woman's Home Companion two letters are published which the editors say they cannot answer. They ask readers to send in suggestions as to how the questions in these letters should be met. One letter is from a woman who wants to get married and does not know what to do about it. The other is from a man who wants to get married and does not know what to do about it. The difficulties that stand in the way of marriage as outlined in these two letters are very real and probably exist in tens of thousands of cases.

Among the interesting articles in the July issue are: "Oratory in the Home" by Mary Heaton Vorse; "Four Interesting Questions Often Asked About Better Films" by Helen Duey; "Mrs. Larry's Adventures in Thrift" by Anna Steese Richardson; "The Country Woman's Opportunities by Frank A. Waugh;" "The Camping Caravan" by William J. Albin, and "Made-in-America" Vacations" by Albert Lee.

Lively fiction is contributed by Grace S. Richmond, Mary Hastings Bradley, Owen Oliver, Mary Brecht Pulver and Margaretta Tuttle. For the outdoor girl five little articles are contributed—one for the girl who swims, another about a honeymoon tramp, a third about a down-cast campsite, a fourth about the girl and the garden, and the fifth about the girl who goes camping.

The regular fashion, cooking, housekeeping, better babies, handcraft, young people's and "About People" departments complete an interesting number.

Following is the school census taken in April 1915, as reported to the County Superintendent.

In the Rural Districts—White-Male 8,126; female 2,982, total 8,110. In Graded Schools—Dawson—Male 212; female 289, total 451.

Hanson—Male 80; female 71, total 151.

Earlington—Male 824; female 820, total 644.

Madisonville—Male 436; female 465, total 901.

Total colored in the county, male, 94; female 1,033, total 1,977.

Total in County—Male 5,127; female 5,110, total 10,237.

This is a falling off from last year of 88 pupils. The number of white are exactly the same as last year, the shortage being entirely in the colored pupils. Of the shortage of 88 in the colored pupils 34 of the same are because of the shortage in the colored school in Madisonville.

For Douches

In the local treatment of woman's illness such as encorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses antiseptic, astringent, cooling and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists, 25c. large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.

MRS. MABEN WAS MADE WELL

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn.—"I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. MABEN, 211 S. Spring, St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. What Do You Pay For Prescriptions?

and, furthermore, you can always feel sure that your prescriptions are compounded exactly as they should be.

Many of the prescriptions we fill for a quarter or less; few cost more, and if they do cost more, then you can rest assured that the price you pay is due to a greater cost of the ingredients, and that if your doctor did not want these special ingredients he would not have ordered them. In any case you get exactly what you pay for, and, in addition, you get the advantage of our skillful compounding at no extra charge.
